Course outline
We read Chapter 7-8 (page 206-270), Chapter 14-22 (page 478-805) of "Corporate Finance" by Jonathan Berk and Peter DeMarzo, 3rd edition, Pearson. We deepen our understanding on each issue through our discussion in the class.

Attainment objectives
The objective of this course is to introduce you to the theory of corporate finance, and to provide the students with a set of analytical tools necessary to answer the most important questions related to corporate investment and financing policies.

Study Method
The issues in Chapter 7-8 will be covered and then the participants are supposed to provide a summary and a brief presentation based on each part of Chapter 14-22.
